## GYMTOWNE HOSTS EXCITING "MEET BY THE BAY" AND HAS A GREAT TIME !

Hosted by Gymtowne Gymnastics on September 9, 2017

Over 90 young gymnasts met at our gym on a beautifully sunny day for a fabulous and competitive meet. Everyone worked hard, did their best and went home with smiles on their faces.

**Level 3:** In the Child Division, Gymtowne dominated with a 1-2-3 overall win! Elizabeth Rodriguez led the pack as 1st place All Around Gymnast! Her 1st place wins on the bars and beam, along with her 2nd place on the floor and 3rd on vault earned her an overall score of

35.900. Coming in 2nd place overall, Kaitlyn Sun also placed well on the beam (2nd place) and floor (3rd place). Kaliyah Guevara completed the trio win with her 3rd place All Around medal. Her best event was the floor where she earned a 1st place. She was also 4th on the beam.

**Level 4:** Noelle Young came out on top in the Child Division. She had a big 1st place win on the beam. Along with the 4th places on the vault and floor, she easily placed 2nd overall. Bela Bhushan had a high flying uneven bars routine that placed 2nd and Josephine Harsana flew to a 2nd place on the vault.

**Level 5:** All three Gymtowne Level 5 gymnasts competed in the All Division. Olivia Miles led this pack as the 1st place All Around Gymnast with a score of 36.425. Her 1st places on the beam and floor as well as a 3rd place on the bars got her there. Ava Zilinkas also had a great meet. She scored a 1st place on the uneven bars, 2nd on the beam and a 3rd place overall. Darlene Harsana's best event was the vault where her runway attack and big air earned her a 1st place. Darlene was also 4th place on the beam and floor for an overall 5th place medal.

Gymtowne wants to thank our parents' group, the Gymtowne Gymnastics Enthusiasts for all of their hard work and support. Without this group of tireless folks, we could never host this awesome event!  
THANK YOU !
